Pitch type	Peg colour	Hardstanding	Grass
Standard with awning	White		

# Site Information

## Reception services

The Caravan and Motorhome Club sells rock pegs, toilet chemicals and a few other essentials for your convenience. The Club doesn't control the sale of any other items, which may be offered for sale by Site Staff with the Club's permission – please speak to them for more information.

## Site shop

The shop sells gas, toilet chemicals, locally produced ice cream, eggs, milk, bread and other essentials.

## Mobile & public telephones

Coverage on site is poor, but there is a public phone next to the office.

## Safety on site

### Fire point

Please check where your nearest fire point is so you can raise the alarm if you discover a fire, make a note of where the assembly point is and read the fire action notice. Fire extinguishers are provided at the fire points. If fire breaks out, follow the Site Staff's instructions. Keep your children safe by making them aware of the danger of emergency services rushing to the scene. In the event of fire, there are alarm bells at service points, the assembly point is in the LNA area.

### Dogs and other Pets

You are responsible for your pet's behaviour. Please make sure your pet is under control at all times; dogs must be kept on a secure lead no more than 2 metres long. Please exercise your dog in the dog walk/areas, where provided. We know accidents can't always be avoided, but please clean up quickly and use the dog bins provided. Unless you have an assistance dog, dogs aren't allowed in the toilet blocks, laundry rooms or dishwashing areas.

### Supervision of children

Parents or guardians are responsible for the safety of children in their care at all times whilst on site. Play areas are never entirely risk free, so we ask children are supervised by an adult. Please remember you are responsible for your children on site.

## Visitors

Please meet visitors at reception.

## Vehicles and cycles

For the safety and enjoyment of everyone on site, please keep your speed down. The speed limit on all sites is 5mph; that's 1st gear. Pedestrians always have priority over vehicles when crossing site roads. Please expect that young children may move around your vehicle carelessly, because they have little understanding of road risks, and adapt your driving technique to allow for this.

Please make sure you follow one-way systems and there should be no cycling on site during the hours of darkness.

## Site facilities

### Water supply

All the water for the Site is pumped from a bore hole, so please be patient when filling your container and make sure you turn off the tap and only take enough water for your immediate needs.

### Recycling

Recycling is available at the site service points or in the car parks in Sleights.

### Games

Boules and novelty golf equipment is available from the Site Office for a donation to charity.

## Pitches

### Pitch care

Please lift awning ground sheets daily.

### Motorhomes

If your pitch is left unoccupied, please leave your motorhome sign on display and unblock your electric cable from the bollard.

### Vacating your pitch

If you wish to stay after 12 noon on your day of departure, please ask at reception.

## Barbecues

The site is in a high fire-risk area, therefore open fires and stoves are not permitted. Barbecues on legs are usually allowed, but please ask the Site Staff first.

## Electric hook-up

The costs of electricity are included in your pitch fee, but please think of the environment by considering your electricity use.

## Site contact details:

North Yorkshire Moors Caravan  
and Motorhome Club Campsite  
Sneaton  
Whitby

**Emergency out-of-hours number:**  
**07925 675917**

## Parking Guide

### Car and Caravan

### Motorhome

To avoid the spread of fire there must be at least 6 metres between facing walls of adjacent outfits, and 3 metres of space in any direction.

To help us keep you safe, please park with rear offside or front nearside of caravan or motorhome to the numbered pitch marker. If you wish to park in a different way, please check with Site Staff.
