The Tournament:

The priority for each competition is a league system in the early stages and a knockout competition from the quarterfinal stage. However, this is totally dependent on the number of teams finally entered for each competition. In view of this a second consideration by the organiser will be a straight knockout competition. The competition organiser will decide the final competition format, on the Saturday night of Clubfest when the final number of teams entered is known.

- Playing up: any players that are within the 12 yrs & under age limit are eligible to play in a 13-16 yrs squad. However, an older player cannot play down.
- A player can only be in one squad.
- The competition organiser reserves the right to ask for clear identification to confirm a player's stated age. If found to be contravening the age limits for a squad, then the player will be disqualified.
- Football boots are permitted, providing they have moulded studs. Under no circumstances will 'screw ins' or 'blades' be allowed.
- It is strongly recommended that shin pads be worn.

IMPORTANT NOTE:

No Centre entries will be accepted by the tournament organiser after Final entries close. Details of the draw for the leagues and knockout stages will be available in the Club Marquee. Walking Football

Organised by Martin & Lesley Sulley – Non Centre.
Clubfestwalkingfootball@gmail.com

How to play:

Walking Football is a slower paced version of the regular football game, although it more so resembles 5-a-side football than the 11-a-side game. With that in mind, and in view that the game is primarily aimed at the over fifty years of age participant however we welcome all ages to come and have a go. Each aspect of the game should further highlight the decreased speed of play, and be reflected in the rules that govern the game, with a view to simplification and unification of ethos and practice.

Walking Football Guidelines:

- Please see football rules, which are the same rules for the walking football, however you must walk within this game. No jogging, sprinting, running on or off the ball by any player at any time.
- Players observed to be running off the ball but not directly influencing play or the outcome of play, or gaining an advantage through their actions may be warned of their actions by the referee during the course of play without the need to stop play. Continuation of this infringement may result in further disciplinary action.
- A player gaining an advantage of position or influence of play by a running action will be in breach of the 'no running rule' and will have a free kick awarded against that person and the team that person represents. Persistent further infringements to the 'no running' rule by that same person will have further disciplinary measures taken against them.
- What constitutes a 'run?' - If in the course of making a stride both feet are off the ground.
- One foot must remain on the ground at all times when in motion.
- Power walking is an accepted action in Walking Football.
- Minimal contact is permitted during the course of Walking Football.
- Tackling, interception, blocking by standing ground, is an accepted part of the game.
- Tackling from behind where contact is made; ankle-rapping from the sides, clumsy, ill-timed, forceful tackling is not an acceptable part of play and will be deemed as an infringement and dealt with by appropriate measures.
- Game open to teams of all ages.

How to enter a team:

If you would like to join a team or register your interest in a sport then please either contact your local Centre or Regional/Divisional Secretary or attend the Open Sports Meeting at the Event. Team representatives are required to confirm entries at the Open Sports meeting.

- Details of the draw for the first round of the competition will be available on the notice boards in the Bar Marquee from 10.00 Saturday.

- Members of the winning team and the runners-up will each receive medals.

How to enter a team:

If you would like to join a team or register your interest in a sport then please either contact your local Centre or Regional/Divisional Secretary or attend the Open Sports Meeting at the Event. Team representatives are required to confirm entries at the Open Sports meeting.

Petanque

Organised by Clive Edwards – Non Centre.
clivehedwards@yahoo.co.uk

How to play:

- The game is played with six metal Petanque boules (balls). Each player throws three boules.
- Some sets of boules will be available from the umpire.
- Boules will be thrown from a 50cm circle once the start team is decided by the toss of a coin.
- The boule, when thrown, should rest comfortably in the hand with the fingers and thumb as close together as possible and with the palm facing the ground.
- The first thrower throws the Cochonnet (Jack) between 6m and 10m away.
- He/She then throws the first boule trying to place it close to the Cochonnet.
- A player in the other team then tries to throw his boule nearer to the Cochonnet, or knock away the leading boule. The boule nearest the Cochonnet leads.
- Then it is up to a player in the team not leading to throw until his team gets a leading boule and so on. When a team has no more boules the players of the other team throw theirs and try to place them as close as possible to the Cochonnet.
- When both teams have no more boules the points are counted. The winning team gets as many points as it has boules nearer the Cochonnet than the best of the losing team.
- The first team to reach 13 points is the winner of the End. In the first three rounds the winner will go on to the next round (see 3 above.)

johnheal@blueyonder.co.uk

Caravan manoeuvring has now been around for decades, since caravans were first built and cars could hold oil in their engines for long enough to pull them! Today it has evolved into a competitive sport, timed over a designated course. It's not just about speed; competitions are intended to test the skill of competitors reversing their outfits, as well as the ability to drive through a narrow gap. There are two categories in the competition – Standard and Novice.

- Novice: those entering in a National competition for the first time.
- Standard: anybody that has already entered and completed the course of the caravan manoeuvring competitions at any National before.

Class 1: Women Novice

Class 2: Women Standard

Class 3: Men Novice

Class 4: Men Standard

Harris & Barrett Cup Guidelines:

- Novice classes will be run first, anybody who takes part in the Novice Class may enter the standard class as well.
- Entrants will be required to provide their own towing vehicle, however the single axle caravan to be towed will be provided by the Club.
- The caravan will be hitched to your vehicle for you by the marshals of this event.

Scottish Ramble

Organised on behalf of the Scottish Division by Fiona Murray – Highland Centre.
fionaisobel44@gmail.com

As an increasing number of people discover the health benefits of rambling come and take a walk across some of the beautiful sights of the Clubfest event and surrounding countryside. A common misunderstanding is that rambling clubs are only for the ultra-fit – those who can keep up a quick pace for miles on end, over rough terrain and whilst carrying a heavy backpack. The truth is, anybody who can walk can join our Scottish ramble – walk for pleasure in the countryside.

Ramble Guidelines:

- Dogs are welcome but must be kept on a lead.
- Decent walking footwear is advised as the walk is around 5 miles.
- Footpaths are followed where possible, however they sometimes take us through woodland or fields with cattle or horses in them.
- On registration all participants must declare any health problems that may affect their ability to finish this ramble.
- The event will have a mass start.
- Participants are responsible for their recognition and understanding of event signage and out of bounds signs must be adhered to.

How to Enter:

- Registration at the time and place specified in the Clubfest Daily Programme.
